at 1600 on Wednesday 04 Aug 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Showery rain, driest in the far north and Western Isles.

This Evening and Tonight:
Showery outbreaks of rain continuing through the evening and overnight for many, though the Outer Hebrides and the far north will be dry until the early hours of Thursday. A moderate southerly breeze. Minimum temperature 10 deg C (50 deg F).

Thursday:
Showery outbreaks of rain for much of the day across Lochaber and the Western Isles, extending across Speyside later in the day. Best of the dry weather across far north. Maximum temperature 21 deg C (70 deg F).

Outlook for Friday to Sunday:
The very showery theme persists with outbreaks quite frequent, possibly prolonged and heavy at times, also the risk of thunderstorms.
